Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Thursday 21 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cold but mostly dry, isolated shower possible.

Today:
A colder but mostly dry day on Thursday with plenty of sunshine, especially during the morning. Some showers will develop though into the afternoon, especially across northwestern areas. Maximum temperature 12 deg C (54 deg F).

Tonight:
Mostly dry overnight with a low risk of an isolated shower, particularly into the early hours. Feeling rather chilly with some clear spells at times. Minimum temperature 5 deg C (41 deg F).

Friday:
A bright day on Friday with isolated showers, particularly in the north and west. Feeling cold with a northwesterly wind. Maximum temperature 12 deg C (54 deg F).

Outlook for Saturday to Monday:
It will turn milder as we head throughout the weekend, with rain spreading in by Sunday accompanied by stronger winds. Temperatures near normal on Monday with sunshine and scattered showers.
